

Serengeti and Mahale – 8 Day

Days 1 to 3 – Serengeti

On arrival into Tanzania's Kilimanjaro Airport, connect with the scheduled flight to the Serengeti where you will be met and driven to Serengeti Safari camp for your three night stay. Serengeti Safari Camp was the first of its kind – a mobile camp moving with the wildebeest migration and setting up camp in the best location possible to get a chance to view the migration from your 'doorstep'. *(All meals except day 1 where dinner is included)*

Days 4 to 6 – Greystoke Mahale

After breakfast you will transfer to the airstrip for the shared charter flight to the Mahale Mountains. Arriving at the airstrip, you have a boat transfer across Lake Tanganyika to get to Greystoke Mahale lodge, where you will be staying for the next three nights. With the Mahale Mountains rising behind, Greystoke Mahale is located on the edge of the forest line on a white sandy beach, overlooking the turquoise water of Lake Tanganyika. With one foot in the lake and one in the forest, the activities at Greystoke are varied. *(All meals)*

Day 7 – Safari ends

Spending the morning at leisure, after lunch you will be transferred by boat to the airstrip for your shared charter flight to Kilimanjaro International Airport, arriving around 6pm, and connecting with your onward flight. *(Breakfast)*
