

Amboseli, Lewa & Masai Mara – 10 Days

Day 1 to 3 - Amboseli

Transfer to Wilson airport either from your hotel or the international airport and connect with the scheduled flight to Amboseli for your three night stay at Tortilis camp. Tortilis Camp is named after the flat-topped, umbrella thorn tree, the *Acacia Tortilis*, and is situated in one of Amboseli's areas of *Acacia Tortilis* woodland. Amboseli is best known for its unrivalled views of Kilimanjaro, and its large elephant population.

The 62,000 acre Lewa wildlife conservancy is home to 10% of Kenya's black rhino population, and the single largest population of Grevy's zebra in the world.

Days 7 to 9 – Masai Mara

After a short flight from Lewa, you arrive at Masai Mara – world renown for the annual wildebeest migration. Your three night stay at your lodge in the Masai Mara will be filled with a range of activities.

Day 10 – safari ends
